To,

D M Narasinga Rao, Esquire, B A B L
Offg Secretary to Government General and
Revenue Departments in Hysore Bangalore

Sir,

I have the honor to state that owing to the insufficiency of the compound to the A.V School at chikmagalur the Inspector - General of Education made a reference to this office requesting - that a strip of land measuring 243 by 21 yards belonging to the - Wesleyan Mission church compound just by the side of the A V School building may be acquired and added on to the A V School compound The site in question was inspected by me in company with the Vice President Chikmagalur Municipality the Deputy Inspector of schools and Rev. A R Slater when it was found that the acquisition of the site was absolutely necessary in the interest of the school boys Rev Slater has agreed to hand over the site provided a strip of land 390 x 50 yards situate in the belt of trees behind the students

Students home building be given over to them The question was fully discussed by the municipal council of Chikmagalur at their meeting held on 31st July 1914 A copy of their resolution is herein enclosed for reference.

I am of opinion that the giving over the site in the belt of trees to the Mission authorities will prevent the - nuisance being committed there and from a sanitary point of view it is very desirable

In the above circumstances I request that sanction of Government may kindly be accorded to give the site measuring - 390 x 50 yards in the belt of trees to the Mission authorities in exchange for the land that the A V School gets from the Mission authorities

A sketch showing the proposed sites is herewith sub- -mitted for reference

I have the honor to be

Sir,

Your most obedient servant

It is doubtful if

I suppose this condition has
